

Music Department
The Chinese University of Hong Kong
Ensemble-in-Residence

The Department of Music at the Chinese University of Hong Kong established its Ensemble-in-Residence program in 2009. Its aim is to provide an opportunity for composers at the beginning stages of their careers to have their music played by professional musicians, as well as to promote intellectual exchanges between performers and composers on contemporary music. In the academic year of 2014–2015, our resident ensemble is **Romer String Quartet**, and **Dr Ng Wah Hei** has been appointed as our resident composer.
